Dictator Declares Strengthening of American Lines Is Violation of Armistice Arranged by Mediators.

By Samuel M. Williams

(Staff Correspondent of The Evening World.) WASHINGTON, May 8 .- Despite official denials it was learned to-day that Admiral Mayo has recommended through Admiral Badger that the oil territory near Tampico be occupied by American forces for protection purposes only. It is known that a lengthy report, dealing with the situation there, was received by the Navy Department to-day. It was laid before

A rumor which neither Danie's nor Bryan would discuss declared that two oil wells, one of them the property of the Pearson Syndicate of London, were destroyed by fire yesterday. This report was circulated in the Diplomatic Corps.

The seriousness of the Tampico situation was further accentuated by advices to-day that Mexicans in the oil district threatened both Americans and Englishmen when they sought yesterday to land and return to their
